SINCE 1764

**Arnold & Son is proud to announce the Time Pyramid winner
2nd place of the 'Watch of the year 2013'**

Arnold & Son was among the winners of the competition 'Watch of the year 2013' held by the Swiss watch magazine 'Montres Passion'. The winners were announced in a glittering ceremony on 25th October 2013.

For twenty consecutive years, the Swiss magazine 'Montres Passion' has hosted the 'Watch of the year' ceremony in Switzerland. The presentation ceremony was accompanied by a cocktail reception at the Intercontinental Hotel in Geneva. The event was attended by distinguished high profile guests and brand representatives.

Arnold & Son is proud to communicate that its Time Pyramid was awarded 2nd place in the category "Watch of the year 2013". Deftly demonstrating its British heritage and ingenuity in watchmaking, Arnold & Son's Time Pyramid unveils a watch movement with unique architecture. Conceived, designed and developed in-house the skeletonised pyramid-shaped movement A&S1615 seemingly floats between two sapphire crystals. The Time Pyramid is a masterful rendition of technical prowess and unparalleled elegance. This superbly engineered wristwatch is part of the brand's Instrument Collection that combines instrument precision with classical styling.
