

ARNOLD & SON

SINCE 1764

**Arnold & Son is awarded The Best Breakthrough 2015
by Spiral Magazine from Hong Kong**

Arnold & Son is proud to announce the achievement of being awarded with “The Best Breakthrough” by Spiral magazine from Hong Kong since 2013. It is unprecedentedly to receive such a high recognition three years in a row. The award proves a leap forward of the brand which is appreciated by local watch lovers to a great extent.

Since 2012, Spiral Award becomes one of the major annual event for praising watches or brands of the year in terms of their popularity and design achievement. The aim of Spiral Award is to appreciate the outstanding performance of brands and watches via a fair and open judging procedure. Each award winners are selected by a strong and independent jury team inclusive of reputable retailers, collectors, overseas critics and watch editors, plus the result from the online voting by readers and watch lovers.

ARNOLD & SON

SINCE 1764

The Best Breakthrough Award is presented to outstanding watch brands with breakthroughs on image, design, techniques and performance in recent years. Arnold & Son's complication is inspired by British watchmaking heritage and is reinvented with a new concept and techniques, for example, Golden Wheel and Time Pyramid. The brand releases exceptional masterpieces with high complications each year like DSTB, Constant Force Tourbillon, CTB, but at the same time also engaging on Métiers d'Art for refining the appearance of each timepiece. A comprehensive development and product collections proved a breakthrough in the industry, ride on the strong capability on developing and producing movement in-house, Arnold & Son is well-deserved for the "Best Breakthrough" in these 3 years.
